**8 Online Best Dark Web Search Engines for Tor Browser (2022) - Hac...**  
Best Dark Web Search Engines for Tor Browser. When it comes to the best dark web search engines, there are a few things to keep in mind. First and foremost, you want a search engine that is private and secure, as well as one that can be used anonymously.

<https://darkpad.org> > details > torch  
**DarkPad - Torch**  
Torch. As the oldest search engine on the Tor network, Torch has access to the largest database of .onion links — over 1 billion indexed .onion pages. Torch doesn't censor search results. It also gives you additional information about search results, like the size of the pages you might want to access, and it...

## Ahmia

Ahmia searches hidden services on the Tor network. To access these hidden services, you need the [Tor browser bundle](#). Abuse material is not allowed on Ahmia. See our [service blacklist](#) and report abuse material if you find it in the index. It will be removed as soon as possible.

For more about Ahmia, see [indexing information](#), [contribute to the source code](#).
