

A truly different day out...

The Whitchurch Silk Mill and Bombay Sapphire Gin Distillery

Tuesday 12 September 2017

Coach leaves Chalfont St Peter at 09.30am and returns at approximately 5.30pm

On the banks of the River Test, in the heart of rural Hampshire, **Whitchurch Silk Mill** is a magnificent Grade II listed building and the oldest silk mill in the UK still working in its original building.

Our guided tour will show us the Victorian winding and warping machinery and water wheel and of course the looms, the beautiful garden on the banks of the River and the shop selling scarves, ties and cushions from the Mill's exclusive silks.

Please note the Mill has some uneven floors and steep stairways. A chair lift is on hand if required for access to the first floor and the stairway to the top floor has 25 steps with handrail.

After our lunch refreshments we have a short drive to **The Bombay Sapphire Gin Distillery** in Laverstock Mill where we will have a hosted tour of the plant. We will discover the artistry and heritage behind Bombay Sapphire and sample a complimentary gin cocktail!

Note: No high heel shoes or open toe sandals are allowed on site at the Distillery.

£39 per person

Price includes:

- **Return coach travel from Chalfont St Peter**
- **Driver's tip**
- **Admission and hosted tour of the Silk Mill**
