UPTON HOUSE is a country house created in 1927 by Lord and Lady Bearsted, the perfect residence for their family and growing Art Collection, which rivals the best in the world! The spectacular feature gardens were Lady Bearsted's passion with rows of terraced planting tumbling down to the productive Kitchen Gardens and Mirror Pool. Our own Welcome Host will be available throughout the day to answer any queries both in the House and Gardens.

**\*National Trust membership cards will be scanned on arrival and failure to produce the card will result in extra payment.**
