

What Makes Your Garden Grow?

Monday, 14th March at 2.30 pm on Zoom

We've all heard the saying, '*where there's muck there's brass*', well....this light-hearted talk by Dr David Marsh, one of TVN's regular speakers and a Trustee of The Gardens Trust, is all about how that applies to horticulture as well!!! A well fertilized garden is a profitable garden, so please don't turn your nose up at this topic.
